Commencement fee

If this is the first value-added product you have purchased from this company, you will pay a commencement fee as stated on your schedule. However, if this is not the first value-added product you are purchasing, you will not be charged a commencement fee.

Your obligations

If you do not fulfil all of the following obligations, cover may be cancelled.

Your obligations to the underwriter are to:

- use all reasonable care to maintain the vehicle in an efficient, roadworthy condition and take all reasonable precautions to prevent or minimise loss or damage;
- provide true and complete information;
- agree to comply with all reasonable requests;
- use all reasonable care and take all reasonable precautions to prevent or minimise loss, damage, death, injury or liability;
- not admit any fault, nor make any offer of/or settlement, without written agreement;
- inform us if any of the policy details or declarations are incorrect or if any of these details or declarations change;
- inform us should you change the address where you usually keep the items for which you are insured; and
- be open about anything you have not yet disclosed, but that may be relevant in order to accept the policy, or about anything that changes that may be important for the continued acceptance of the policy.

Policy changes and cancellation

Your policy may be changed or cancelled by giving you 30 days' written notice. Any change or cancellation that you make will be effective from the time and date agreed to. Please note that, if you cancel your policy during the course of an insured month, the premium paid for the rest of that month will not be refunded to you.

If you cancel your policy or any part thereof because you also have cover for the same item/s with another insurer or your vehicle was sold, stolen or written off or for any other reason, then your premium refund will be limited to premiums actually paid in the 12 months prior to cancellation.

Payments

Your policy is a monthly policy and you must make the monthly payment in advance as stated on your schedule. If in the month following the activation of your policy (and onwards) we do not receive your premium on the due deduction date, you will be allowed a 15-day

period of grace in which to pay your premium. If we still do not receive your premium after these 15 days, you will not have cover for that month.

Premium obligations

Your Scratch and Dent policy gives you monthly cover and your premium is deducted in advance on the date stated on your schedule.

- a. For your premium obligations, refer to the paragraph headed "Payment details" on your schedule. This will give you details regarding the premium payable, the manner of payment of premiums and the due date for payment of your premiums. Your policy will only commence upon receipt of the first premium.
- b. Please take note that it was agreed to collect the monthly payment for your policy by debit order, and your initial debit will include your commencement premium and an administration fee. A deduction will be made on the same date every month. Should this date fall on a weekend or public holiday, the deduction will be made either on the last working day prior to or the first working day after the weekend or public holiday. Please note that your policy is a monthly policy and must be paid in advance on the deduction dates as they are stated on your schedule. If your premium is not received on your preferred deduction date, an attempt to collect your premium on a more suitable deduction date may be made in an effort to keep you covered. If payment is not received for three consecutive months, the policy will be cancelled immediately.

Payment stopped

When cover is interrupted because you have instructed the bank to stop your debit order payment, the policy will be cancelled.
