

Funeral Plan

Funerals aren't a nice thing to talk about, but the fact is, they're expensive. The last thing a family needs to worry about after the death of a loved one is the cost of a funeral, which is why we recommend taking out our Funeral Plan.

The Budget Insurance Funeral Plan* gives peace of mind at a time when all that matters is family, support and healing.

Our Funeral Plan covers:

- Death as a result of HIV/AIDS related illnesses.
- If the main member's death is due to an accident, double the maximum compensation.

Additional Policies

Additional policies can be taken for your parents, parents-in-law, and domestic employees.

We can't make funerals easier – but we can help make sure your loved ones get the send-off they deserve.

To find out more about Funeral Plan, check out our brochure.

Terms and conditions apply.

*Funeral Plan is underwritten by 1Life Insurance Limited, an authorised financial services provider (FSP24769).
