

# Biz Assist benefits at a glance

## 1. Safe Drive & Convenience Drive

Whether you need to get to a meeting, home from a party or your car has broken down - we'll ensure you're driven to your destination safely.

## 2. Collections Assist

Our collection experts, backed by a legal team, will take care of your unpaid invoices to limit the financial impact on your business.

## 3. Emergency Medical Assist

Get immediate access to a team of nurses and paramedics, together with national accredited medical assistance service providers during a medical emergency on your business premises.

## 4. Business Concierge

We can help you to procure services and goods and help with sorting out bookings, while you run your business.

## 5. Digital Presence

Get full-circle online solutions from corporate identities, Facebook, domain registration, direct marketing, promotional brochures and leaflets and signage with trackable results.

## 6. Financial Advice

Receive professional telephonic financial advice about budgeting, credit reports, and debt counselling. It's personalised financial support at your fingertips.

## 7. Tender Assist

Provides you with pro-active notification of tenders as they arise in your business sector.

## 8. IT Helpdesk

Our experts will troubleshoot the problem and attempt to resolve any IT related issues remotely, including setting up printers, connecting new equipment and installing software.

## 9. Office Assist

During any sudden, unexpected or unforeseen event at your primary business premises that requires urgent attention of a domestic tradesman, we'll provide assistance with a plumber or an electrician.
